INTRODUCTION

Peace be upon you,
Salamun alaykum

We human beings were once living a happy life in Heaven without wars, animosity, poverty, suffering, disease, ... no fear, no worry, no despair, just perfect living in total peace and happiness.
But then a creature started thinking that his powers and skills were totally his, that God couldn't take them away. Slowly he started projecting this idea on everything else. His focus changed, he no longer considered God as the source of everything he needed, he would just go to another creature and get what he wanted while forgetting God.

That creature was Satan, the first rebel who started spreading his idea all over the Heavenly community. However the vast majority refused, they were the angels, who had no doubts that God is their only supporter, and that nobody and nothing else can harm or benefit them. Satan couldn't convince except a small minority. Now, God could have sent them all directly to an eternal Hell, but the Most Merciful decided to give them another chance:
This small minority could either be evicted from Heaven to this world for a specific period of time, doing some specific roles in order to redeem themselves and return to Heaven, or they could accept the freedom of choice, come to Earth and undergo an elaborate test of choice, while being subjected to Satan's temptations and constant attacks.

The vast majority of the small minority, who had doubts, refused the freedom of choice, and preferred to perform submissive roles in this world for a period of time then go back home. These are all the creatures we know, from the huge planets to the animals, to the creatures smaller than the atom. They were smarter than us arrogant and ignorant humans who decided to take the test perhaps Satan is right !
Yet everyday we see him fail in proving his point, how many people have suffered from seeking benefit from the creatures instead of God? how many have gone through the pain of addiction and the agony of despair? How many wars have been fought running after money and/or power, thinking that these things can bring back their long lost happiness?

Satan has failed over and over again in proving his point. However he has claimed a lot of followers despite his failure in ruling the Earth. Now the interim that God had given him to rule the Earth within limits to prove his point, is reaching an end.
It is time for the kingdom of God to inherit the earth, fulfilling the prophecy of the scriptures, the prophecy of the kingdom of Heaven.

On this earth today, there are billions of people who follow distorted religions, but the religion of God has always been one and the same; "Submission". Abraham called us "Submitters" because one submits his soul to God and accepts Him alone as the center of his life, neither Moses nor Jesus ever claimed to be Jewish or Christian and all the prophets were monotheistic submitters to God alone. None of the messengers has ever asked the people to idolize him and love him more than God, yet billions idolize Jesus and Muhammad and many other mere mortals, dead and alive. When will all this satanic domination and corruption on earth end?

The purification of God's religion has started by sending a messenger, Rashad Khalifa, to America with a miracle revealed in 1974. A digital miracle suitable for the computer age, it can be witnessed now by anyone, anytime, and anywhere.
I am sent after him to proclaim the advent of the kingdom and Satan's demise as a ruler of the planet, the long awaited physical kingdom that will restore justice on earth. The prophecy of the final scripture, Quran, starts with a disaster that will strike America very soon to announce Satan's fall.

Now it's time for you to witness the proof of that event which will change life on earth, the Earthquake of the November 9th, 2019.

Timeline to USN[119]

Rashad

After all the prophets had delivered their scriptures, God sent a purifying messenger, Rashad Khalifa to confirm the truth and restore the religion of Submission to its original, once and for all. Aided by one of the great miracles, the number 19 (revealed in 1974), all the modules of Quran were confirmed and two false verses were exposed same as the "Hadith" books were exposed as satanic fabrications. Also other hidden information in Quran was delivered by Rashad like the date of the end of the world.
-His message can be found in "The authorized English translation of Quran + its 38 appendices"

Ahmad

The purifying miracle of 19 restored the religion of God "Submission" to its original form, free of idol worship. This has paved the way for the advent of God's kingdom of Heaven, the "United Submitters Nation". A true monotheistic, righteous kingdom that inherits the earth from Satan and his followers after ages of corruption and bloodshed. It starts with the event of 119. This good news is delivered by Ahmad Nishitoba.

Abraham

Abraham was the original prophet of God's religion; Submission,as he was the one who named us Submitters, and God gave him the religious duties; the contact prayers, the obligatory charity, Fasting, and Pilgrimage.
The concept of worshipping God alone has always existed though, through prophets like Noah.

Submission — Torah — Gospel — Quran — 19 — USN 119.2019 — 2280Ad

End OF The World

Moses

Moses and the prophets were given the Torah, but the Children of Israel violated God's covenant, killed their prophets and followed the man-made, fabricated laws of the "Talmud" instead of the Torah alone.

Despite the distortions of every religion, there are sincere people who worship God alone, and those should believe in God's new proven message and follow it.

Jesus

He was sent with the Gospel to restore the religion after the children of Israel had distorted the Torah, added man made laws and became hard-hearted. God saved Jesus' soul before being crucified. Yet later on, Constantine the Roman emperor mixed the pagan idol worship with the Gospel resulting in a hybrid religion based on a trinity that is not mentioned in the Bible.

Muhammad

He is the last prophet sent with the final scripture to all the people; Quran. Quran confirms the truth in previous scriptures and supersedes them.
Yet again, Satan intervened and soon after Muhammad's death, the idolaters reverted but this time they idolized Muhammad himself. The idolization of Muhammad continues to this day, aided by the man-made fabricated laws of the "Hadith" books.

Numerical Miracle 19

God's Signature:

•19 is composed of 1 and 9 , the first and last numbers. Thus it signifies that God is the Alpha and Omega.

•The numerical (gematrical) value of the word ONE in Arabic (Quran's language), WAHED, is equal to 19, declaring to the world that: "There is no god except God".

•In 1974, God revealed to the world a miracle that will change the course of history.

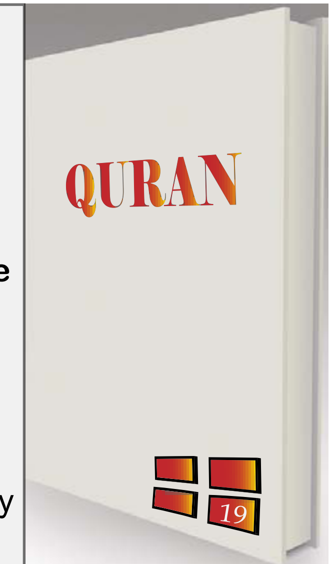

•The messenger of God, Rashad Khalifa, was commissioned with using the miracle of 19 to purify God's religion, Submission.

•19 serves as God's signature on the universe and on the final scripture, Quran.

•19 is the building block of Quran and serves as its proof, or in the words of Rashad Khalifa: "The Quran is charcterized by a unique phenomenon never found in any human authored book. Every element of the Quran is mathematically composed."

"For the first time in history we have a scripture with built-in proof of divine authorship--a superhuman mathematical composition."

"Any reader of this book (The authorized english translation of Quran by Rashad Khalifa) can easily verify the Quran's mathematical miracle.**"**

For almost 1400 years, no one knew the meaning of the Arabic initials that occur in the beginning of 29 chapters out of the 114 chapters of Quran. It turned out that those initials were the key to unlock the miracle of Quran. Guided by God and using a giant computer, Rashad Khalifa discovered that the initials occur in their respective chapters in multiples of one number, the prime number 19.

For example the letter Q occurs in the two Q-initialed chapters, **57 (19x3)** times in each.

•Rabbi Judah the Pious of the 11th Century A.D. also discovered the 19 code in the Torah.

•The sun, the moon, and the earth become aligned once every 19 years

•God's stamp on you and me is manifested in the fact that the human body contains 209 bones, 19 x 11.

•"In general the length of pregnancy is 38 weeks after fertilization, 19 x 2 "Langman's Medical Embriology"

The Simple Facts of the miracle:

(For further details, check "Appendix **1** of the authorized English translation of Quran by Rashad Khalifa")

-1 The miracle was discovered in 1974, which is 1406 (19x74) hijri lunar years after the revelation of Quran. The number 19 is mentioned once in Quran, in chapter 74 titled "the Hidden Secret".

-2 The first verse of Quran consists of 19 letters.

-3 Quran consists of 114 chapters = 19 x 6

-4 Quran consists of 6346 verses = 19 x 334

-5 The first revelation (First 5 verses of chapter 96) consists of 19 words or 76 letters = 19 x 4.

-6 The whole chapter 96, consists of 19 verses and 304 Arabic letters = 19 x 16

-7 The last revelation (Chapter 110) consists of 19 words, its first verse consists of 19 letters.

Quran Chapter **74** "The Hidden secret"

[74:30] Over it is nineteen.

[74:31] We appointed angels to be guardians of Hell, and we assigned their number (19) *(1)*to disturb the disbelievers, *(2)* to convince the Christians and Jews (that this is a divine scripture),*(3)* to strengthen the faith of the faithful, *(4)* to remove all traces of doubt from the hearts of Christians, Jews, as well as the believers, and *(5)* to expose those who harbor doubt in their hearts, and the disbelievers; they will say, "What did God mean by this allegory?" God thus sends astray whomever He wills. None knows the soldiers of your Lord except He. This is a reminder for the people.

PROPHECY OF QURAN EARTHQUAKE OF AMERICA SAN FRANCISCO 11.9.2019

A prophecy hidden in the final scripture Quran for **1400** years, has finally been revealed.
Jesus delivered the news of a prophet and a messenger to come after him, the prophet delivers the final scripture that contains the prophecy and the messenger brings God's promise to the righteous, the prophecy of the kingdom of Heaven. Both of the prophet and the messenger have a similar name, "a praised one", Muhammad or Ahmad in Arabic.

Quran
[61:6] Recall that Jesus, son of Mary, said, "O Children of Israel, I am God's messenger to you, confirming the Torah and bringing good news of a messenger to come after me whose name will be Ahmad." Then, when he showed them the clear proofs, they said, "This is profound magic."

3 messengers, 1 of them is a messenger with a book (A Prophet), participated in the delivery of the prophecy
Muhammad + Rashad + Ahmad = 192+583+118 = 893 = 19x47 =Ash-hadu Anna Laa Ilaaha Illa Allaah (I bear witness that there is no god except God)

Prophet Muhammad

[7:158] Say, "O people, I am GOD's messenger to all of you. To Him belongs the sovereignty of the heavens and the earth. There is no god except He. He controls life and death." Therefore, you shall believe in GOD and His messenger, the gentile prophet, who believes in GOD and His words. Follow him, that you may be guided.

Rashad Khalifa

[3:81] GOD took a covenant from the prophets, saying, "I will give you the scripture and wisdom. Afterwards, a messenger will come to confirm all existing scriptures. You shall believe in him and support him." He said, "Do you agree with this, and pledge to fulfill this covenant?" They said, "We agree." He said, "You have thus borne witness, and I bear witness along with you."

Ahmad Nishitoba

Muhammad delivered the final scripture, Quran, the book that contains the prophecy of the kingdom of God. Many distortions were injected into the religion after him. A confirming purifying messenger, aided by the miracle of 19, was sent to restore the religion once and for all to its original form. This messenger was Rashad Khalifa. After him, I was inspired of the date of fulfillment of the prophecy, along with numerical proofs based on the number 19, Quran's proof of divine authorship.

Numerical Proofs

Words written in the language of Quran, Arabic, have a numerical value, since each letter has an individual value. The messenger Rashad Khalifa used the table of values called Gematrical-Values. God further gave me the main table composed of (Gematrical values + two ordinal value systems). This main system of finding values for words is called "Total Gematrical Value" or TGV, it has deciphered a whole new code of messages from God.

Basics :

• A numerical proof is simply an extraordinary equation that links different components together to prove their relationship. Also to put emphasis on a certain truth.

• A divine proof can not be imitated, and it defies the probability of occuring by coincidence.

• However the "visible" proof is only for confirmation of an "unseen" truth that can be felt by the heart.

• Thus a proof can not be used for getting information from Quran, nor for divination.

• Moses was sent with divine miracles as well as Jesus, now in the digital age of computers, the miraculous numerical proofs can be witnessed anytime, anywhere.

• The number 19 is God's stamp of authenticity on any proof that has a righteous truthful message behind it.

• A 19 multiple means that a full complete unit has been stamped and sealed by God.

Example :

The Arabic declaration of faith: أشهد أن لا إله إلا الله

▶ Ash-hadu anna laa ilaaha illa Allaah

I bear witness that there is no god except GOD

أشهد	أن	لا	إله	إلا	الله	
TGV: 389	+ 92	+ 68	+ 104	+ 71	+ 169	= 893

893 = 19 x 47

TOTAL GEMATRICAL VALUE OF THE ARABIC ALPHABET

The gematrical value (GV) is an ancient system of assigning numerical values to letters so that they could be used instead of numbers which were not yet invented, same like how the Roman numerals were used. So Aleph (A) for example had a value of 1, Baa'=2 and so on.
There are two other systems that assign values to the letters, they are collating systems that are used to arrange the 28 letters of the Arabic alphabet in a sequence.
One of them is the (GSV), that follows the order of gematrical values assigned to each letter, and the other (ASV), arranges them according to their similar shapes.
God inspired me to fuse the three systems available, in one main system, called the "Total Gematrical Value" system.

ASV :Alphabetical Sequential Value
GSV :Gematrical Sequential Value
GV :Gematrical Value
TGV :Total Gematrical Value
ASV+GSV+GV=TGV
*The transliteration in English is just to give you an idea of the Arabic alphabet. Do not use it for pronunciation.

ASV	GSV	GV	TGV	LETTER	
1	1	1	3	أ	a
2	2	2	6	ب	B
5	3	3	11	ج	J
8	4	4	16	د	d

STAMPED AND SEALED BY 19
Types Of Numerical Proofs

Internal 19 Proofs

1- God names the final scripture three names, the TG values of them are connected by 19, in order to prove the divinely-made connections. In the proofs below, the "multiple of 19" is found in the difference between the TG values.

Quran , The Scripture , The statute Book

Alqur'aan	Alkitaab	Alfurqaan
3+65+140+ 230+3+3+ 89	3+65+53+ 425+6	3+65+117+ 230+140+ 3+89
= 533	= 552	= 647

Quran + 19 = The Scripture
533 + 19 = 552

The Scripture + [19x5] = The Statute Book
552 + 95 = 647

Quran + 114 = The Statute book
*114 (19x6) chapters in Quran

2- Gabriel is the angel of revelation, through whom the quran was given to prophet Muhammad (A prophet is a messenger who is given a word by word revelation),let's find out how these quranic facts are proven by God, and stamped by 19.

Muhammad , Gabriel , The Prophet

Muhammad	Jibreel	Alnabeyy
77+22+ 77+16	11+6+ 230+48+ 65	3+65+ 89+6+ 48+
= 192	= 360	= 211

Muhammad + 19 = The Prophet
192 + 19 = 211

Quran +19 = Muhammad+Gabriel
533 + 19 = 192 + 360

Standalone Proofs

The scripture = Muhammad + Gabriel
552 = 192 + 360

External 19 proofs

1- External 19 proofs are found when we add the TG values of the components to each other, and the result is a 19 or a multiple of 19.

Gabriel + Quran = "I bear witness that there is no god except God"
360 + 533 = 893 = 19 X47

Gabriel + The Scripture = 19 x48
Gabriel + The Statute Book = 19 x53

[3:3] He sent down to you **this scripture**, truthfully, confirming all previous scriptures, and He sent down **the Torah** and **the Gospel**

The Torah = Altawraa in Arabic = **798**
+The Gospel = Alinjeel in Arabic = **284**
+ Quran = Al-Qur'aan = 533
= 1615 = 19 x85

The Great Prophecy

THE EVENT OF 119

OVERVIEW OF THE COMPONENTS OF THE PROPHECY :

messenger delivering prophecy : Ahmad Nishitoba

book of prophecy : Quran

place of prophecy : America

San Francisco

start date of prophecy : 11.9.2019

[9:33] [61:9] He is the One who sent His messenger with the guidance and the religion of truth, and will make it dominate all religions, inspite of the idol worshipers.

[48:28] He is the One who sent His messenger with the guidance and the religion of truth, to make it prevail over all other religions. God suffices as a witness.

Two different verses of the prophecy:
9+33 +48+28 = Ahmad = 99+19
118
Chapter 99 "The Quake"

Three chapter numbers:
9+48+61 = Ahmad 118

TGV of word "God"

Three verses of the prophecy:
9+33 +48+28 +61+9 = 19+169 = 188

The great prophecy is a hidden prophecy in the final scripture, Quran. It is about a turning point in the history of mankind, the advent of God's kingdom of Heaven. The fulfilment of that prophecy will start with a huge earthquake hitting America on 11.9.2019.
This event will eventually result in the majority of Americans embracing the religion of God, Submission. And then Submission will spread to the rest of the world.

THE MESSENGER AHMAD NISHITOBA - I

1- One of the Hidden Secrets of Quran :

• Chapter 74 is titled "The Hidden Secret", one secret was 19, which was revealed through the messenger of the covenant, Rashad Khalifa
• The other secret is the messenger who comes after Rashad Khalifa with the kingdom of Heaven

Chapter 74 - "The Hidden Secret"

In Arabic is "Al Muddathir", TGV= 918
(3+65+77+16+527+230=918)

• Jesus prophesied a messenger and a prophet to come after him, by similar names in John 14:16, according to David Banjamin Keldani (From the book "Muhammad in the Bible") Periqlytos means "Ahmad" in Arabic, or "a praised one"

John 14:16 And I will ask the Father, and He will give you another "Periqlytos" to be with you forever.

• This Bible verse corresponds with the following Quranic verse

[61:6] Recall that Jesus, son of Mary, said, "O Children of Israel, I am God's messenger to you, confirming the Torah and bringing good news of a messenger to come after me whose name will be Ahmad." Then, when he showed them the clear proofs, they said, "This is profound magic."

• The reason why the prophet and the messenger, Muhammad and Ahmad are connected by a similar name is that the kingdom of Heaven prophesied by Jesus will come through "Ahmad118 Nishitoba992"(TGV=1110) and will be based on Quran delivered by Muhammad (TGV=192), which also contains the prophecy.
• Now let's confirm the name hidden within Muhammad's name

Chapter 74	+ Ahmad	= Muhammad
74	118	192

Chapter 74	+ The Hidden Secret	= Nishitoba
74	918	992

• The name of the messenger hidden in Quran is also coded in the first verse of chapter 74, titled "The Hidden secret"

[74:1] O you hidden secret.

TGV of verse [74:1]	+ Ahmad Nishitoba	= 19x19 x6
1056	1110	= 2166

THE MESSENGER AHMAD NISHITOBA - II

CHAPTER 61 - THE COLUMN

[61:0] In the name of God, Most Gracious, Most Merciful
[61:1] Glorifying GOD is everything in the heavens and everything on earth. He is the Almighty, Most Wise.
[61:2] O you who believe, why do you say what you do not do?
[61:3] Most abominable in the sight of GOD is that you say what you do not do.
[61:4] GOD loves those who fight in His cause united in one column, like the bricks in one wall.
[61:5] Recall that Moses said to his people, "O my people, why do you hurt me, even though you know that I am GOD's messenger to you?" When they deviated, GOD diverted their hearts. For GOD does not guide the wicked people.
[61:6] Recall that Jesus, son of Mary, said, "O Children of Israel, I am GOD's messenger to you, confirming the Torah and bringing good news of a messenger to come after me whose name will be Ahmad." Then, when he showed them the clear proofs, they said, "This is profound magic."
[61:7] Who is more evil than one who fabricates lies about GOD, and he is being invited to Submission? GOD does not guide the evil people.
[61:8] They wish to put out GOD's light with their mouths. But GOD insists upon perfecting His light, in spite of the disbelievers.
[61:9] He has sent His messenger with the guidance and the true religion, and will make it dominate all religions, in spite of the idol worshipers.
[61:10] O you who believe, let Me inform you of a trade that will save you from painful retribution.
[61:11] Believe in GOD and His messenger and strive in the cause of GOD with your money and your lives. This is the best deal for you, if you only knew.
[61:12] In return, He forgives your sins, and admits you into gardens with flowing streams, with beautiful mansions in the gardens of Eden. This is the greatest triumph.
[61:13] Additionally, you get something you truly love: support from GOD and guaranteed victory. Give good news to the believers.
[61:14] O you who believe, be GOD's supporters, like the disciples of Jesus, son of Mary. When he said to them, "Who are my supporters towards GOD," they said, "We are GOD's supporters." Thus, a group from the Children of Israel believed, and another group disbelieved. We helped those who believed against their enemy, until they won.

- **Let's witness the information hidden within the title of the chapter, "Alsuff" in Arabic, or "The Column" which points to the unity to come through the messenger mentioned in verse [61:6] : "Ahmad".**

The Column = Al-Suff, its TGV= 307 = 3+65+122+117

169 Date
= God + 19 + 119

THE COLUMN
= 307

= 119+[9+33]+[48+28]+[61+9]

Therefore, as you can see, the total gematrical value of the title of the chapter (in which the name of the messenger is mentioned) validates the date of the quake: 119. In the first proof above, God proves with His stamp (19), the date (119), and the second proof connects the great prophecy with 119

These three verses are similar in wording, they talk about the great prophecy of God's kingdom to come, on **11.9.2019**

THE MESSENGER AHMAD NISHITOBA - III

2. Jesus, Muhammad and Ahmad :

• Even though Satan has convinced the followers of every religion, that their messenger is the final messenger, yet some believers have always believed and waited for the prophecy of a messenger to come with the Kingdom of God

[61:6] Recall that Jesus, son of Mary, said, "O Children of Israel, I am God's messenger to you, confirming the Torah and bringing good news of a messenger to come after me whose name will be Ahmad. Then, when he showed them the clear proofs, they said, "This is profound magic."

• Half the meaning of the verse above was given temporarily to those who received Quran, that this "Ahmad" mentioned in the verse is "Muhammad" despite the mysterious change in his name. Muhammad is mentioned by his exact name 4 times in Quran, like in the following verse :

[33:40] Muhammad was not the father of any man among you. He was a messenger of God and the final prophet. God is fully aware of all things

• There is confirmation of the fact that the "Ahmad" mentioned in [61:6] also refers to "Muhammad" If we add all the chapter numbers of the 4 verses that the name "Muhammad" is mentioned in ([48:29],[47:2],[33:40],[3:144], to the verse where the name "Ahmad" occurs [61:6], we get this TGV

48+47+33+3+61 = 192 (Muhammad)

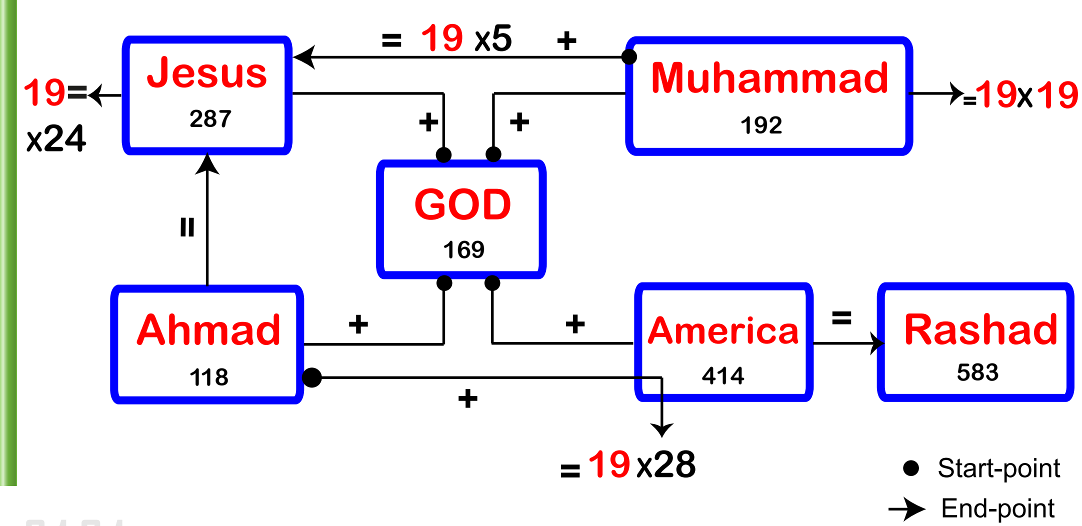

• Now let us confirm that the "Ahmad" prophesied by Jesus and mentioned in [61:6] refers to a prophet by the name of "Muhamad and a messenger by the name of "Ahmad Nishitoba"

TGV of verse [61:6]	+ Jesus	+ Ahmad	+ Muhammad	= 19 x560
10043	287	118	192	10640

• And if we zoom in a little closer, we can find a confirmation of the exact identity of the messenger prophesied

TGV of verse [61:6]	+ Ahmad Nishitoba	= 19 x587
10043	1110	11153

• Therefore now we can be sure that the reason why the name "Muhammad" was altered a bit in verse [61:6] is because the name of another messenger was hidden temporarily in it

THE MESSENGER AHMAD NISHITOBA - IV

3- A Name Hidden In the 14 Mysterious Initials :

[15:87] We have given you the seven pairs, and the great Quran.

- **In Quran, there are 14 sets of initials that nobody knew their meaning for almost 1400 years. The 14 sets of letters prefix 29 chapters, out of the 114 chapters of Quran**
- **Those letters unlocked the miracle of Quran, 19. As we have seen earlier, there is another secret hidden in Quran, the name of the messenger who will bring the kingdom of Heaven**
- **The 14 sets are composed of 14 different Arabic letters, half the Arabic Alphabet, when we add the TG Values of those 14 letters we get the TGV of Ahmad Nishitoba**

أ a=3 +	ل L=65 +	م M=77 +	ص S=122 +
ر R=230 +	ك K=53 +	ه h=36 +	ى E=48 +
ع A'=104 +	ط T=34 +	س s=87 +	ح H'=22 +
ق Q=140 +	ن N=89		= 1110 (Total Sum)

14 Different Initials Prefix 29 Chapters of Quran
a,L,M,S,R,K,h,E,A',T,s,H',Q,N
for almost 1400 years nobody knew their meaning
God reserved this knowledge for the age of the computer

- **This total sum of the 14 mysterious initials doesn't only have the name of the messenger coded within it, but also it contains the exact event and date delivered by this messenger**

أحمد نيشيتوبا

1110=Ahmad Nishitoba

(Ahmad 3+22+77+16 + Nishitoba 89+48+334+48+425+39+6+3 = 1110)

Also 1110 = 991 + 119

Date of the quake 11.9

[99:1] When the earth is severely quaked.

4- Ahmad, Submission, America, and the Quake :

Ahmad (118) **+ Submission** (300) **= 19 x22** (418)

Ahmad (118) **+ America** (414) **= 19 x28** (532)

Ahmad = 118 = 99 + 19

Chapter 99 in Quran is titled "The Quake"

INTRICATE PROPHECY PROOFS - I

Quake Date :

- The exact date & location of the quake are confirmed in the following proofs : Month **11** Day **9** Year **2019**

2019 = 119 + 1900

1110+ 99 +	119+2019	+414+932	= 4693

Quran, America and The Date :

- America in Arabic is Amreeka, with a TGV=**414**

- Quran = **533**
- Date = **119**

America + 119 = Quran

America	+ 119 =	Quran

Submission and San Francisco :

- The title of chapter **48** is AlfatH or Victory in English
- The TGV of AlfatH (Victory) = **632**

3+65+117+425+22=632

- TGV of San Francisco written in Arabic = **932**

87+3+89 +117+230+3+89+87+48+87+53+39=932

Submission + Victory = San Francisco

Submission	Victory	San Francisco
300	632	932

Victory through the Quake of America :

- Chapter **99** is titled The Quake
- Even though an earthquake is a terrible disaster, God protects the sincere and also punishes the transgressors through such an event. That specific event of **119** will mark the start of establishing the kingdom of Heaven on earth, and thus it is Victory for God's religion, Submission.

America + 99+119 = Victory

America	99+119	Victory
414	quake	632

- Therefore, the spread of the religion (Submission) throughout (America) will start with a Quake (**99**) on (**119**), the center of that earthquake will be San Francisco.

Submission + America + 99+119 = San Francisco

Submission	America	99+119	San Francisco

INTRICATE PROPHECY PROOFS - II

Ahmad Nishitoba & The Date :

• As we have witnessed, the **14** initials contain hidden information about a messenger's name, and a Quake on **11.9.2019**
Let's now look at the name and the date and how they are intertwined and divinely designed by God

117	118	119	1110	1111
	AHMAD	DATE	AHMAD NISHITOBA	

• If we consider the above a representation of the days of the eleventh month November, we will notice that the date of the Quake **119** occurs inbetween two numbers, **118** which is theTGV of Ahmad" and **1110** which is the TGV of "Ahmad Nishitoba". This is to confirm the relation between the messenger with both first and full names, with the date he delivers.

• Now we shall confirm that the exact date of the prophecy comes from God through the messenger Ahmad.

God + Ahmad = 119

THE END OF SATAN'S RULE ON EARTH

Flashback

• Satan and the humans were evicted from Heaven, because the humans followed Satan's command, and believed that the creatures had independent powers, in the sense that they could harm or benefit on their own.
• So the test began on Earth, with Satan installed as a temporary ruler, spreading his mischief, and trying to claim as many followers as possible before his interim as a ruler comes to an end.

Satan, a temporary god on Earth

[2:30] Recall that your Lord said to the angels, "I am placing **a representative on Earth**." They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

People thought that this "representative" or "Khalifa" in Arabic, mentioned above is Adam and his descendants. However God has revealed to us through his messenger, Rashad Khalifa, that the representative meant here is Satan who rules the earth within limits God inspired me that Satan's interim (as a ruler) ends on 11.9.2019, then the human representative will take over and install the kingdom of Heaven on Earth.

The End of Satan's Respite as a Ruler

[15:36] He said, "My Lord, respite me until the day they are resurrected."
[15:37] He said, "You are respited.
• [15:38] "Until the specified day and time."
[15:39] He said, "My Lord, since You have willed that I go astray, I will surely entice them on earth; I will send them all astray.
[15:40] "Except those among Your worshipers who are devoted absolutely to You alone."
[15:41] He said, "This is a law that is inviolable.
[15:42] "You have no power over My servants. You only have power over the strayers who follow you.
[15:43] "And Hell awaits them all.

• **Verse [15:38] is repeated word by word in [38:81], the TGV of each of them = 1382**

[15:38] "Until the specified day and time."
[38:81] "Until the specified day and time."

"Until the specified day and time" (1382) **+ 119 = 19 x79** (1501)

"Until the specified day and time" (1382) **+ 2019 = 19 x179** (3401)

• **Also on adding the chapter and verse numbers we get the name of the messenger and the date of the end of the respite**

• sum of sura numbers 15 + 38 = 53 GV. of Ahmad

15 + 38 + 118 (TGv. of Ahmad) = 19 x 9 (171)

• sum of verse numbers 38 + 81 = 119 End of Respite

PURIFICATION THEN RESTORATION of the religion of God, Submission

Chapter 98 - PROOF

[98:0] In the name of God, Most Gracious, Most Merciful

[98:1] Those who disbelieved among the people of the scripture, as well as the idol worshipers, insist on their ways, despite the proof given to them.*

[98:2] A messenger from GOD is reciting to them sacred instructions.*

[98:3] In them there are valuable teachings.

[98:4] In fact, those who received the scripture did not dispute until the proof was given to them.

[98:5] All that was asked of them was to worship GOD, devoting the religion absolutely to Him alone, observe the contact prayers (Salat), and give the obligatory charity (Zakat). Such is the perfect religion.

[98:6] Those who disbelieved among the people of the scripture, and the idol worshipers, have incurred the fire of Gehenna forever. They are the worst creatures.

[98:7] Those who believed and led a righteous life are the best creatures.

[98:8] Their reward at their Lord is the gardens of Eden with flowing streams, wherein they abide forever. GOD is pleased with them, and they are pleased with Him. Such is the reward for those who reverence their Lord.

*98:1,2 The proof is the Quran's mathematical code (Appendix 1) and the messenger is Rashad Khalifa. The number of the sura (98), plus the verse number (2), plus the numerical value of "Rashad Khalifa" (1230) add up to 1330 (19x70) the same total as in 81:19 (Appendix 2) -Rashad Khalifa

Chapter 99 - THE QUAKE

[99:0] In the name of God, Most Gracious, Most Merciful

[99:1] When the earth is severely quaked.

[99:2] And the earth ejects its loads.

[99:3] The human will wonder: "What is happening?"

[99:4] On that day, it will tell its news.

[99:5] That your Lord has commanded it.

[99:6] On that day, the people will issue from every direction, to be shown their works.

[99:7] Whoever does an atom's weight of good will see it.

[99:8] And whoever does an atom's weight of evil will see it.

Immediately after chapter (98) that talks about the proof of Quran and the messenger who delivers it (Rashad Khalifa), comes chapter 99, the quake. This confirms that after the revelation of the proof, and after the religion is restored to its original, by means of that proof, it is time for the advent of the kingdom of God, which starts by a huge Quake that will usher in a new era of righteousness on Earth on 11.9.2019.

Chapter 99 - THE QUAKE

[99:0] In the name of God, Most Gracious, Most Merciful
[99:1] When the earth is severely quaked.
[99:2] And the earth ejects its loads.
[99:3] The human will wonder: "What is happening?"
[99:4] On that day, it will tell its news.
[99:5] That your Lord has commanded it.
[99:6] On that day, the people will issue from every direction,
to be shown their works.
[99:7] Whoever does an atom's weight of good will see it.
[99:8] And whoever does an atom's weight of evil will see it.

• The next chapter after chapter 99 (The Quake) is chapter number 100, titled “The Gallopers”. The chapter talks about the event of 911, the mathematical structure provided a clear confirmation of this prophecy.

• The gallopers point to the fast airplanes (and/or missiles) that invaded NY, igniting sparks, in the morning of 911.2001, when we calculate the TGV of verse ([100:1] By the fast gallopers.) we get a total TGV of
(39+3+65+104+16+48+425+841+6+22+3 =1572= 661+911)

• This value is not haphazard, the number 661 is the TGV of “The Gallopers” which represents the airplanes.

• The reason why chapter 100(911)comes after and not before chapter99 (119) is because 119 is the exact opposite of 911 .911 was schemed by Satan in order to launch his campaign of wars leading to total domination of the planet, while 119 comes to restore righteousness, and to give the rule of the planet to the sincere God-worshipers around the world. Like rewinding a tape, the scheme of 911 will be nullified and we will go from the distorted event of 911 (chapter 100) back to the original purity, peace and real freedom through the event of 119 (chapter 99). The numbers also rearrange themselves from 911 backwards to 119, to display God’s message and signature, 19 = 1 god

Chapter 100 - THE GALLOPERS

[100:0] In the name of God, Most Gracious, Most Merciful
[100:1] By the fast gallopers. ← TGV= 911 +661The Gallopers)
[100:2] Igniting sparks.
[100:3] Invading by morning.
[100:4] Striking terror therein.
[100:5] Penetrating to the heart of their territory.
[100:6] The human being is unappreciat ive of his Lord.
[100:7] He bears witness to this fact.
[100:8] He loves material things excess ively.
[100:9] Does he not realize that the day will come when the graves are opened?
[100:10] And all secrets are brought out.
[100:11] They will find out, on that day, that their Lord has been fully Cognizant of them.

• Some writers have noted the prominent 11 on the 911 event, the twin towers looked like a big 11, and the first plane to hit was flight 11, also chapter 100 has 11 verses. This tells us that God had another purpose when He allowed Satan’s scheme to materialize. God wanted to warn against “being unappreciative” and “loving material things excessively” as in the verses above, through allowing the economic center, the twin towers to collapse, the 11 proclaims “1 god, 1 religion”. And points to the next event on the 11th month of the 19th year in the 3rd Millennium.

PROPHECY OF AMERICA AND ISRAEL

America in Quran I - Chapter 30 AlRoom - Romans

• America being the most important community of our Time, is mentioned in Quran. The final scripture has a prophecy of America being defeated a few years after invading Iraq, the defeat will come through a major earthquake that will change the course of America and History. Americans will submit to their Creator en masse as a result, and billions world wide will follow.The defeat will actually bring victory to America

[30:0] In the name of God, Most Gracious, Most Merciful
[30:1] A. L. M.*
[30:2] The Romans have won
[30:3] In the nearest land. After their winning, they will be defeated.
[30:4] Within several years. Such is GOD's decision, both in the first prophecy, and the second. On that day, the believers shall rejoice.
[30:5] In GOD's victo ry. He grants victory to whomever He wills. He is the Almighty, Most Merciful.
[30:6] Such is GOD's promise - and GOD never breaks His promise - but most people do not know.
[30:7] They care only about things of this world that are visible to them, while being totally oblivious to the Hereafter.
[30:8] Why do they not reflect on themselves? GOD did not create the heavens and the earth, and everything between them, except for a specific purpose, and for a specific life span. However, most people, with regard to meeting their Lord, are disbelievers.
[30:9] Have they not roamed the earth and noted the consequences for those who preceded them? They used to be more powerful, more prosperous, and more productive on earth. Their messengers went to them with clear signs. Consequently, GOD was not the One who wronged them; they are the ones who wronged their own souls.
[30:10] The consequences for those who committed evil had to be evil. That is because they rejected GOD's revelations, and ridiculed them.

• The first prophecy mentioned in chapter 30, which is titled "Romans=Al-Room" is the invasion of Iraq by America, the second is the defeat of America by an earthquake that will destroy San Francisco on November 2019.

1• Romans = Ameri ca

- The literal translation of the chapter's title "AlRoom" is "Romans", however during the time of revelation of Quran, Persia was called "AlFors=Persians" and Rome was called by its people, therefore the word "Romans" indicate a country

- The new revelation is that "Romans" here is a code name for "America" or (Amrika in Arabic) as we shall see. Many writers have written before, about the similarities between the old empire of Rome and the empire of America today both religion and politics wise.

2• Iraq = Nearest Land

In Quran, Kaaba,the shrine in Mecca is considered the focal point [2:125] Therefore Iraq is denoted here by "The nearest land" from that focal point

ROMANS = AMERICA

Al-Room = 3+65+230+39+77	Amrika = 3+77+230+48+53+3

• Please note that because of wrong diacritics (marks added to indicate short vowel sounds) the words "Ghalabat=won" and "Thayughlaboun=they will be defeated", in verses 2 and 3 respectively, were always misread as "Ghulibat=was defeated" and "Thayaghliboun=they will win" .

PROPHECY OF AMERICA AND ISRAEL

Children of Israel in Quran I
Chapter 17
Bani Isra'eel - Children of Israel

- **The prophecy of the Children of Israel in Quran is tied with the prophecy of America.**
- **After the huge quake and after America undergoes major changes, it will turn against its closest ally: Israel, and "will wipe out all the gains" the Children of Israel have accomplished in Israel.**
- **Thus restoring Justice after decades of oppression. Satan has successfully hired the majority of the Jewish nation to do his bidding in Palestine, torturing, murdering and oppresing, soon tables will turn and this hub of transgression will face God's Justice.**
- **That doesn't mean that all Jewish people are bad, there are many Jewish people who stand by Justice.**
- **The problem is not with a race or religion, but the problem is with transgression and forgetting God, that's why in the following verses God warns :"if you revert to transgression, we will counter with retribution".**

[17:0] In the name of God, Most Gracious, Most Merciful
[17:1] Most glorified is the One who summoned His servant (Muhammad) during the night, from the Sacred Masjid (of Mecca) to the farthest place of prostration, whose surroundings we have blessed, in order to show him some of our signs. He is the Hearer, the Seer.
[17:2] Similarly, we gave Moses the scripture, and rendered it a beacon for the Children of Israel that: "You shall not set up any idol as a lord and master beside Me."
[17:3] They are descendants of those whom we carried with Noah; he was an appreciative servant.
[17:4] We addressed the Children of Israel in the scripture: "You will commit gross evil on earth, twice. You are destined to fall into great heights of arrogance.
[17:5] "When the first time came to pass, we sent against you servants of ours who possessed great might, and they invaded your homes. This is a prophecy that indeed came to pass.
[17:6] "Afterwards, we gave you a turn over them, and supplied you with a lot of wealth and children; we gave you the upper hand.
[17:7] "If you work righteousness, you work righteousness for your own good, but if you commit evil you do so to your own detriment. Thus, when the second time comes to pass, they will defeat you and enter the masjid, just as they did the first time. They will wipe out all the gains you had accomplished."
[17:8] Your Lord showers you with His mercy. But if you revert to transgression, we will counter with retribution. We have designated Gehenna as a final abode for the disbelievers.

[17:101] We supported Moses with nine profound miracles - ask the Children of Israel. When he went to them, Pharaoh said to him, "I think that you, Moses, are bewitched."
[17:102] He said, "You know full well that no one can manifest these except, obviously, the Lord of the heavens and the earth. I think that you, Pharaoh, are doomed."
[17:103] When he pursued them, as he chased them out of the land, we drowned him, together with those who sided with him, all of them.
[17:104] And we said to the Children of Israel afterwards, "Go live into this land. When the final prophecy comes to pass, we will summon you all in one group."

Bani Isra'eel - Children of Israel

THE PROPHECY

[17:4] We addressed the Children of Israel in the scripture: "You will commit gross evil on earth, twice. You are destined to fall into great heights of arrogance.
[17:5] "When the first time came to pass, we sent against you servants of ours who possessed great might, and they invaded your homes. This is a prophecy that indeed came to pass.
[17:6] "Afterwards, we gave you a turn over them, and supplied you with a lot of wealth and children; we gave you the upper hand.

Thus, when the second time comes to pass, they will defeat you and enter the masjid, just as they did the first time. They will wipe out all the gains you had accomplished."
[17:8] Your Lord showers you with His mercy. But if you revert to transgression, we will counter with retribution. We have designated Gehenna as a final abode for the disbelievers.

289+3+39+65+48+6+3+87+334+16+48+16 =954 414 1368

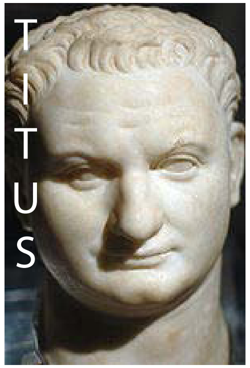

- In both the first and second prophecy in these verses, the same people invade the homes of the Children of Israel.
- Those people are the Romans, as proven by the previous proof. The servants who possess great might are the ancient Romans in the first prophecy and the modern Romans (America) in the second one.
- The first prophecy was fulfilled when the Roman emperor, Titus in 70 AD invaded Jerusalem and destroyed the temple.
- A Jewish eyewitness who accompanied Titus had this to say, of the situation that led to the destruction of Jerusalem.

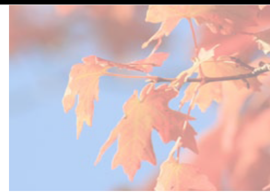

> "I cannot refrain from saying what my emotions bids me. It seems to me that if the Romans had proven powerless against the sinner, the city (Jerusalem) would have been engulfed by an earthquake or flood, or it would have shared the thunderbolts of Sodom, for it had brought forth a generation more ungodly than these. Because of the folly of these men, the entire nation perished." _Flavious Josephus

- In the second time, when the Children of Israel commit gross evil on earth, the modern Romans (America) as we have proven before, will also invade Israel and enter the masjid "The place of prostration" which is now in place of the old temple in Jerusalem.
- The prophecy of America in verse [30:3] is linked with the prophecy of the Children of Israel in verse [17:7], as proven here

DISASTER, VICTORY & TRIUMPH

CHAPTER 48 - VICTORY

[48:0] In the name of God, Most Gracious, Most Merciful
[48:1] We have bestowed upon you (O Messenger) a great victory.
[48:2] Whereby GOD forgives your past sins, as well as future sins, and
perfects His blessings upon you, and guides you in a straight path.
[48:3] Additionally, GOD will support you with an unwavering support.
[48:4] He is the One who places contentment into the hearts of believers
to augment more faith, in addition to their faith. To GOD belongs all forces
of the heavens and the earth. GOD is Omniscient, Most Wise.
[48:5] He will certainly admit the believing men and women into gardens
with flowing streams, wherein they abide forever. He will remit their sins.
This is, in the sight of GOD, a great triumph.
[48:6] And He will requite the hypocrite men and women and the idol
worshipping men and women, for they have harbored evil thoughts about GOD.
Their evil will backfire against them. For GOD is angry with them, condemns
them, and has prepared for them Gehenna. What a miserable destiny!
[48:7] To GOD belongs all the forces in the heavens and the earth.
GOD is Almighty, Most Wise.
[48:8] We have sent you as a witness, a bearer of good news, and a warner.
[48:9] That you people may believe in GOD and His messenger, and reverence Him,
and observe Him, and glorify Him, day and night.
[48:10] Surely, those who pledge allegiance to you, are pledging allegiance to GOD.
GOD approves their pledge; He places His hand above their hands. Those who
violate such a pledge, commit the violation to their own detriment. As for those
who fulfill their pledge with GOD, He will grant them a great recompense.
